# UGANDA'S NEW ADMINISTRATION (2026 - 2031) AND THE STEWARDSHIP OF GOVERNANCE

On 12<sup>th</sup> May 2026, Uganda will usher in a new administration following the general elections of 2026. This moment will not only mark a political transition but also a spiritual and moral responsibility. For the next five years, those entrusted with power will carry the hopes, struggles, and aspirations of more than 48 million Ugandans.

Uganda's new administration will step into office with both opportunities and challenges: a youthful population eager for jobs, communities hungry for justice, regions demanding equity, and a nation yearning for unity. To succeed, governance in 2026 - 2031 must be rooted in vision, discipline, integrity, and accountability.

## 1. Vision and Direction for Uganda (2026 - 2031)

Every administration must begin with a clear vision. Ugandans want to see more than campaign promises - they desire a roadmap for better healthcare, education, infrastructure, and peace. The new leaders will need to articulate a practical national agenda, with priorities that touch the everyday lives of citizens: roads in rural areas, drugs in hospitals, skills for young people, and dignity in work.

*Proverbs 29:18 - "Where there is no vision, the people perish."*

## 2. Governance and the Rule of Law

Ugandans have seen how corruption, favoritism, and selective justice can erode trust in government. The next administration must prioritize justice for all citizens, strengthening courts, police, and public institutions. Laws must apply equally to the rich and poor, and governance must be seen to protect - not exploit - the people.

## 3. Economic Stewardship

Uganda's economy depends heavily on agriculture, natural resources, and trade with East African neighbors. The new administration must promote fiscal discipline by curbing corruption, enforcing fair taxation, and investing in infrastructure that supports trade. Farmers need markets, manufacturers need reliable electricity, and young people need jobs in ICT and innovation.

*Luke 16:10 - "Whoever can be trusted with very little can also be trusted with much."*

## 4. Unity in Diversity

Uganda is one of Africa's most culturally diverse nations, with over 50 tribes and multiple faiths. This diversity is a blessing but can also be exploited to divide. The next administration must actively heal divisions - regional imbalances, ethnic suspicions, and political rivalries—and instead promote a shared Ugandan identity.

*Psalms 133:1 - "How good and pleasant it is when God's people live together in unity!"*

## 5. Social Development

The future of Uganda rests in its youthful population. The next five years must be marked by investment in education, health, and skills development. Schools must be properly staffed and resourced, hospitals must have medicines and motivated health workers, and universities must produce graduates equipped for today's economy.

## 6. Peace and Security

Without peace, development is impossible. Uganda's security forces must be disciplined, professional, and protective of citizens' rights. The new government must also continue Uganda's role in stabilizing the East African region while ensuring peace at home.

## 7. Integrity and Accountability

Uganda's greatest weakness in governance has been corruption and impunity. The 2026 - 2031 administration must be different: leaders must model humility, resist greed, and serve with integrity. Appointments and tenders must be transparent, and citizens must see accountability in action.

*Micah 6:8 - "To act justly and to love mercy and to walk humbly with your God."*

## 8. The Immediate Post-Election Season

The period after elections is always sensitive in Uganda. Tensions often rise around results and transitions. Yet scripture reminds us:

### Psalm 33:8–12

*"Let all the earth fear the Lord; let all the inhabitants of the world stand in awe of him! For he spoke, and it came to be; he commanded, and it stood firm. The Lord brings the counsel of the nations to nothing; he frustrates the plans of the peoples. The counsel of the Lord stands forever, the plans of his heart to all generations. Blessed is the nation whose God is the Lord, the people whom he has chosen as his heritage!"*

Uganda's 2026 elections and the inauguration of a new administration must align with God's counsel. True peace and progress will not come from political schemes but from leadership submitted to God's wisdom.

## PRAYER GUIDE: UGANDA'S 2026–2031 ADMINISTRATION

### 1. Thanksgiving

- Thank God for preserving Uganda through the 2026 elections.
- Thank Him for the peaceful transition into the new administration on 12<sup>th</sup> May 2026.

*Psalm 100:5 - "For the Lord is good and his love endures forever."*

### 2. Repentance

- Repent for corruption, violence, and manipulation that have marred past elections.
- Repent for divisions of tribe, religion, and party that weaken Uganda's unity.

*Daniel 9:5 - "We have sinned and done wrong..."*

### 3. Prayer for Leaders

- Pray for the president, parliament, judiciary, and local leaders to govern with integrity and humility.
- Ask God to raise leaders like Joseph (visionary), Esther (courageous), and Nehemiah (selfless) in Uganda.

*1 Timothy 2:1–2 - Pray for “kings and all those in authority...”*

#### **4. Prayer for Citizens**

- Pray for Ugandans to embrace civic responsibility - paying taxes, rejecting bribery, respecting laws.
- Pray that citizens will vote, serve, and work for the common good.

*Romans 12:10 - “Honor one another above yourselves.”*

#### **5. Prayer for the Post-Election Period**

- Pray for peace, transparency, and justice in the announcement of results.
- Pray that winners will be humble and losers gracious, ensuring national stability.

*Psalms 33:11 - “The counsel of the Lord stands forever...”*

#### **6. Blessing for Uganda’s Future (2026–2031)**

- Declare that Uganda will be governed with justice, integrity, and vision.
- Proclaim that the 2026 - 2031 administration will strengthen institutions, empower youth, and unite the nation.

*Hebrews 12:11 - “Later on... discipline produces a harvest of righteousness and peace.”*

#### **Closing Prayer**

Father, we commit Uganda’s new administration, sworn in on 12<sup>th</sup> May 2026, into Your hands. May they govern with vision, integrity, and unity. May Uganda be known as a nation of justice, peace, and prosperity, where leadership is service and not self-promotion. We declare Psalm 33:12 over Uganda: “Blessed is the nation whose God is the Lord, the people he chose for his inheritance.” In Jesus’ name, Amen.

### **PROCLAMATION OVER THE NEXT ADMINISTRATION 2026-2031**

*We declare over Uganda, in the aftermath of the 2026 general elections and leading up to the inauguration of the new Executive and Legislature on 12<sup>th</sup> May 2026:*

*In the immediate post-election period, the rejoicing of victors and the mourning of those who have lost will remain within the confines of the law. Order will be firmly upheld, and the spirit of restraint and dignity will mark both celebration and concession.*

*A new level of political maturity will emerge in Uganda. Winners and losers alike will act with grace - understanding that elections are not the end of all things, but the beginning of renewed service to the nation. Mutual respect will govern the behavior of all players in the electoral space, from candidates to institutions, and the nation will move forward in unity. Uganda will be shielded from post-election terrorism, violence, and bloodshed.*

*Every scheme of insiders and outsiders who attempt to meddle with the elections will be frustrated. Voices calling for war and civil unrest are silenced in the name of Jesus. A divine rebuke goes forth to scatter the people, organizations, and nations that delight in violence.*

*The transition from one administration to the next will be peaceful, cooperative, and dignified. The inauguration of the new Executive and Legislature on 12<sup>th</sup> May 2026 will be a day marked by stability, thanksgiving, and the assurance of continuity.*

*Like streams of water in the hands of the Lord, the hearts of those making decisions concerning the composition of the next Executive team, the Speaker and Deputy Speaker of Parliament, members of Parliamentary Committees, and other key appointments will be guided by God Himself. The fear of the Lord will influence their choices.*

*We proclaim an increase in leaders of upright character, visionary foresight, and integrity. Men and women of skill and wisdom will rise to occupy strategic positions in the Executive and Legislature. The number of incorruptible leaders who love justice and righteousness will multiply.*

*God's chosen leaders for this new five-year mandate (2026 - 2031) will emerge victorious. They will be servant leaders - bold, righteous, and transformational - like Joseph, Esther, Daniel, and Nehemiah. Leaders with vision to steer Uganda into stability, foresight to prepare for the future, and courage to resist corruption will be established.*

*The new Executive and Legislature will not be timid in their beginning. They will commence their mandate with righteous and bold new initiatives - policies that heal divisions, fight corruption, create opportunity for the youth, strengthen institutions, and protect the vulnerable. These leaders will treat Uganda not as a personal inheritance, but as God's heritage.*

**AMEN**
